2012

OLMSTED FALLS

LACROSSE

Information AND Registration Night

Jan 12, 2012 7-8pm

Middle School Cafetorium

The Olmsted Falls Lacrosse Association is excited to kick-off our third season. In the first two seasons the program has grown from 22 boys playing lacrosse to 95 boys and girls learning and participating in the fastest growing sport in the United States.

In addition to the same programs offered last year, we are pleased to offer a 10 week developmental program for 1st and 2nd grade boys and girls. We are also set to field a JV boys team in the 2013 season, a Varsity boys team in 2014 and are building a girls program to offer the same high school level teams in the coming years!

Join us for one hour and learn about the sport of LACROSSE — the “*fastest game on two feet*” — and decide if the non-stop action and excitement is worth a try!
